

Dear Archers and Parents/Guardians,

Welcome to the Bend High Archers, Bend Oregon's competitive team of the Oregon High School Archery League (OHSAL). We are a high school archery team hosted by Bend Senior High School and composed of volunteers and students from Central Oregon. Our goal is to provide a safe, supportive, and competitive environment for you to grow and compete as an archer during your high school years. We promote safe archery practices, including competition and hunting.

Our team practices at the Bend Bowmen Archery Club, located off Knott Road in Southeast Bend. Most practices will be held at the Bend Bowmen Clubhouse, with occasional outdoor or off-site practices for the competitive season. Practice locations and schedules vary depending on the season and weather.
